200 Main Street
Permit Application

Dallas, Ga. 30132

Individuals or groups wishing to hold events within the city limits of the City of Dallas, Georgia, on public or private property must obtain a Special Event Permit from the City of Dallas. This application is for Private Property Events.

Special Event Permits are subject to the review of city departments and require approval of the Mayor and Council of the City of Dallas.

Complete & return to jmartin@dallas-ga.gov

If more details are required and further review is needed, the city's Chief Marshal will contact you.

Applications should be submitted at least 60 days prior to the proposed event.

A *Special Event* is any activity that occurs upon public or private property that affects the ordinary use of parks, public streets, rights-of-way or sidewalks, or causes an increase of more than 100% in average daily trips on any public street within the City.

Special Events may include, but are not limited to, activities such as arts festivals, fairs, tours, concerts, holiday celebrations, grand opening celebrations, certain business promotional events out of doors, block parties, bicycle races, runs, processions and motorcades. *Granting permission for use does not entitle exclusive use.*

Activities that do not require a Special Event Permit may include funeral processions; garage or lawn sales (or any similar casual sale of tangible personal property); and private social gatherings of up to **20** participants that make no use of city streets other than for lawful parking.

A request for a Special Event Permit may be denied if judged that the event will disrupt traffic within the city beyond practical solution; the event will interfere with access to fire hydrants; the event will cause undue hardship to adjacent businesses or residents; the event will require the diversion of so many public employees that allowing the event would unreasonably deny service to the remainder of the city; the event might otherwise interfere with the public welfare, peace, safety, health, good order and convenience of the general public; the application contains incomplete or false information; the applicant fails to comply with all requirements of the City of Dallas including failure to remit all fees and deposits and Hold Harmless Agreement to the city.
