ABOUT THE CITY OF DALLAS

Our Mission

Standing on a tradition of community, independence, and growth, the City of Dallas is committed to the prosperity of its residents and business owners.

About Dallas

The City of Dallas can be found in the heart of Paulding County and serves as the county seat. Considered to be in the metro area, Dallas is located approximately 30 miles northwest of downtown Atlanta.

The City of Dallas has retained the charm of simpler times featuring a quaint, historic downtown. Visitors can enjoy shopping in the friendly and vibrant community that is strong on southern hospitality, or enjoy first class entertainment at the renovated Dallas Theater.

Visitors use the beautiful Tara Drummond Trail Head in Dallas as their starting and ending point to ride the Silver Comet Trail (SCT). The SCT is paved, 61.5 miles long, free of charge, and travels through Paulding County. This quiet, non-motorized trail is for walkers, hikers, bicyclists, rollerbladers, horses, dog walkers, and is mostly wheelchair accessible.

Dallas was incorporated on February 8, 1854. The City was named after George M. Dallas of Pennsylvania, who served as Vice President under President James K. Polk. Our town has some of the best preserved Civil War trenches in the county.
