MAPPING ACTIVITY

What is your story?

GOTTA HAVE ACTIVITY

Gotta Have = Things that absolutely must be implemented downtown, and the City should make every effort to encourage its implementation.

Nice to Have = Things that would be great to have in Downtown Dallas, but could easily be removed or changed in favor of higher priority items.

Never Gonna Have = Things the community would not support, and are considered to be "non-starters."

Write down your thoughts on sticky notes, and place them under the appropriate column.

We have provided comment cards to capture any additional feedback you may have!
